

GO Real-Time XL Tracker

Temperature, location and security

Global visibility and protection for extended shipments

Designing the battery life and software to support ocean bound cargo now means full coverage for your products on the road, in the port, and out on the water. When your ship leaves port, the GO Real-Time XL keeps track of the temperature. Every time the ship nears port, the unit automatically connects and uploads data before the ship reaches the docks. The GO Real-Time XL senses light, alerts you when your products are at risk on the road and records when doors are opened at the dock.

Oversight Dashboard. Data at your fingertips.

Comprehensive and automated reporting is provided through Oversight and the Oversight Mobile app. Data is encrypted, providing security as it moves to the cloud. Information is at your fingertips while you are on the GO with Oversight Mobile. Check status and create shipments direct from a phone or tablet. View current maps, graphs, and charts of key shipments including temperature, security, and location details. Shipment summary reports include the GO Real-Time XL serial number, trip name, current temperature, current location, trip status, trip duration, temperature range, mean kinetic temperature, total time out of range, total time above range, total time below range, and temperature graph.

An easy-to-use system to monitor your loads

Extended battery life to cover international shipments

Protect your product in-transit

Global visibility with email/text alerts

Access to temperature reports before final delivery

Recycle with GO Green - ask about incentives!

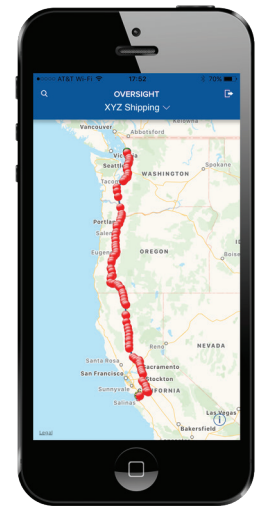

Technical Specifications

- Battery Life:** Up to 50 days +/- 3 days of operation based on 60 minute reporting interval and temperature conditions
- Cellular:** 850/900/1800/1900 MHz Quadband GSM/GPRS
- Certifications:** FCC, Industry Canada, PTCRB, CE
- Humidity:** -20% to 90% operation, 10% to 95 storage
- Memory:** Up to 30 days of continuous 60-minute temperature measurements
- Recycling Options:** GO Green Program
- Temperature Range:** -20° C to 70° C operating environment
-45° C to +85° C storage
- Size:** 78 mm x 52 mm x 35 mm
- Weight:** 0.30 lbs (136 g)
- Oversight Dashboard:** Emerson.com/oversight

Oversight Mobile - Summary Report

Oversight Mobile - Map Detail

Event: Alert! The temperature is too low. Immediate action is required to prevent damage to your product.
GO #: 15000845
Trip Name: OR1338343 PO 0266-8530262-3895
Location: IA-27, Riverside, IA 52327, USA

Alert Details

Alert Time:
12/08/2015 9:56 PM Local Time
12/09/2015 3:56 AM UTC Time
Alert Level:
Level 1
Alert Temperature:
33.4°F (normal 34°F to 38°F)
32.9°F (Current)
32.3°F (MKT)
Sensor Range:
Berries
Time Out of Range:
11:55 Total
0:00 Above
11:55 Below
Alert Counts:
0 High Critical
2 Low Critical
